

Limited Liability Agreement

This Limited Liability Agreement is made effective as of _____,
between **UNAV, LLC (UNAV)** located in Marysville, Washington and
_____ (**customer**), located in _____.

The **customer** acknowledges that he uses **UNAV** products as components onboard his UAV (unmanned air vehicle). The **customer** acknowledges that as system integrator, he has the responsibility to provide backup or redundant systems for flight critical functions onboard his UAV.

The **customer** hereby agrees to release **UNAV** from any and all liability that may result from the use (or misuse) of any **UNAV** product, including incidental, consequential or direct damage or expense. The customer also hereby agrees NOT to release his right of recovery against **UNAV** to an insurance company or other party.

Both parties make this agreement this day, _____.
